PRESS RELEASE

May 13, 2020

FOR IMMEDIATE RELEASE

With the recent approval by the Madison County Board of Health of a Resolution for guidelines to reopening businesses, the Village of Maryville will continue to follow the Governor's Executive Orders. Although we are deeply sympathetic to those who are suffering the economic impact of COVID-19, as well as the emotional, physical, and social impacts, the Village of Maryville will continue to place the safety of our residents and businesses as our top priority as we navigate these unprecedented times together.

It is the recommendation of the Village that businesses and organizations comply with the Governor's Executive Orders for the protection of their employees and customers. If a business or Organization chooses to deviate from the Executive Orders, that business or organization should follow the CDC Guidelines relating to sanitizing, hand-washing, social-distancing, and the wearing of face masks. Additionally, that business or organization should consult their legal counsel, insurance carrier, and any licensing agency prior to taking any action in conflict with the State of Illinois Executive Orders to avoid the possibility of a liability exposure to that business or organization.

For additional information regarding this release, contact Mayor Craig Short at 618-345-7028, or mayorshort@maryville-il.us.
