## **E-Waste Recycling Law in the State of Illinois**

Effective January 1, 2012 a new law in the state of Illinois banned several types of electronics from being dumped at a landfill. The law establishes a statewide system for recycling and/or reusing computers, monitors, televisions, and printers discarded from residences by requiring electronic manufacturers to participate in the management of discarded and unwanted electronic products.

**The following list of electronics is banned from landfills:**

- Televisions
- Monitors
- Printers
- Computers (including tablet computers)
- Electronic Keyboards
- Facsimile Machines
- Videocassette Recorders
- Portable Digital Music Players
- Digital Video Disc Players
- Video Game Consoles
- Small Scale Servers
- Scanners
- Electronic Mice
- Digital Converter Boxes
- Cable Receivers
- Satellite Receivers
- Digital Video Disc Recorders

**Some of the companies will offer pick-up service, or offer a central drop-off site. Phone the specific company for more information on how to dispose of your electronic waste; or contact your county or municipal government.**
